

LE Harmony

INTERIOR DESIGN &
ARCHITECTURAL CONSULTANCY

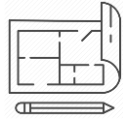

WE ARE

We are freelance designers who started our own business because we believe that to achieve your goals you should love what are you doing as we also know that most of the company charges customers a big amount of money. but with us, you can achieve the same and better than what you received from big companies with more affordable price and better design. AS we are Specialist with commercial, residential, architectural .interiors and landscaping.

We have 20 years of experience in the design field and project management as well as long experience in the UAE market, international brands, and suppliers.

LE HARMONY ID

Interior Design

We design unique, luxurious interiors in which beauty meets functionality - creating comfortable space through great planning and precision.

Landscape

We work creatively to have varied and original landscape designs for your property. From designs, specifications, and maintenance to the complete construction of any size projects.

Architectural Design

We prepare all architectural drawings MEP details shop drawings and all necessary drawings for site execution and deliver the job as per 3d design.

Manufacturing / Joinery

Our manufacturing and production facilities are equipped with state-of-the-art machinery and the latest technology - procured to enable the production of quality finishes.

Fit-Out

Residential, commercial, retail, and hospitality projects. We deliver creative and cost-effective solutions to fulfill the client's needs.

Project Management

We specialize in managing and guiding project processes from start to finish, with regard to planning, organizing, motivating, and controlling resources & procedures in order to achieve all of the project goals, as well as developing schedules to ensure the timely completion of projects.

Our SERVICES

Our VISION

Our vision is to be the best designing company in UAE & internationally with adding value to our clients' living spaces and exceeding their expectations.

Our aim is to become our clients' preferred professional Designers provider through excellence and efficiency in all aspects of the project.
